Additional Information:

Please provide us with as much information as possible regarding the problems you have experienced, as this greatly helps our technicians to replicate and diagnose needed repairs.

Would you would like to be contacted via e-mail for an estimate of repair costs before repairs are performed: Yes _____ No _____

Repair items that remain in the Dee Force Aviation Service Center for more than 90 days without payment or response from the customer will be considered as abandoned, and will be disposed of at DFA Service's discretion.

Please let us know the location of the servos mounted on your airplane.

Signature

I hereby authorize DFA Service to perform needed repairs to the equipment listed above, and to contact me as needed during the normal course of repairs for additional questions and payment information. By submitting this service repair form, I release from all liability and hold harmless DFA Service, and all employees. This liability release is for any and all liability for personal injuries (including death) and property losses or damage in connection with any activity or accomodation of DFA Service.

Shipping Address and Information

When sending your equipment to DFA Service, we recommend that you insure the merchandise and ship via a common carrier (such as UPS or USPS) that includes an automated tracking system. Merchandise lost in transit is the responsibility of the customer. Upon completion, your repair will be returned to you via the carrier of our choice. Warranty repair return shipping is covered by the warranty. All other shipping is charged at the time of the repair. Expedited shipping is available for additional fees. Please ship your repair to us at:

**Dee Force, Inc. / JR Propo
2331 Abalone Ave. #103-104,
Torrance, CA, 90501
sales@deeforce.net**

*Note: Due to lack of parts and for liability concerns, we are not able to perform service or repairs on DSM, DSM2, DSMX, or earlier transmitters. We apologize for the inconvenience.
